A splendid and imposing polychrome wooden display case, finely painted and carved. The lower doors depict Asian figures (I've just been told that there is a similar display case at Schönbrunn Palace in Vienna, Austria). This display cabinet is in good overall condition (unrestored), with a few minor restorations needed (touch-ups to the polychrome paint and a few small missing pieces in the carving--not many). The display cabinet can be disassembled (into 3 parts). Dimensions: Height 250 cm Width 220 cm Depth 60 cm
