

Pair Of Porcelain And Bronze Oil Lamps - 19th Century

700 EUR

Period : 19th century

Condition : Bon état

Material : Porcelain

Height : 64cm

Description

An elegant pair of 19th-century porcelain oil lamps, set on chiseled bronze bases with a patina finish. The black-bottomed porcelain reservoirs are adorned with delicate female figures draped in the neoclassical style, hand-painted in vivid colors and finely executed. The coiled bronze handles accentuate the elegance of the set. The lamps are fitted with their original burners as well as opaline glass globes engraved with a lakeside landscape motif, adding further charm to this decorative pair. Dimensions: Height 46 cm without globe Height 64 cm with globe
