

Couture Special: 19th-century Turned Boxwood Needle Case And Dice Holder

220 EUR

Period : 19th century

Condition : Parfait état

Material : Solid wood

Length : 18.5 cm

Diameter : 7 cm

Description

Carved from boxwood with a superb patina, here is a charming and beautiful sewing accessory: a needle holder and thimble holder. Its screw mechanism allows you to attach it to a small sewing table or similar surface; by unscrewing the top part that holds the cushion in place, you can remove the thimble. Shipping available in France and internationally--please contact me for details
