

Antique Wrought-iron Garden Furniture, Early 20th Century

450 EUR

Period : 20th century

Condition : Bon état

Material : Wrought iron

Description

Antique wrought-iron garden set, dating from the early 20th century, consisting of a two-seater bench, a round table, and two matching armchairs. The furniture features intricate scrollwork and arabesque designs, with openwork seats and tabletops. It has a white patinated finish, marked by crackle, chipped paint, and some signs of oxidation. The set can be kept in its current condition or restored depending on the desired look. Dimensions: Bench: W 113 × H 90.5 × D 55 cm Table: Ø 67 × H 56.5 cm Armchairs: W 50 × H 87 × D 60.5 cm each Sold as a set.
