The subdued color palette and soft lighting enhance the scene's calm and timeless atmosphere. The painting is presented in an elegant wooden frame. This work demonstrates a fine mastery of palette knife technique and a style reminiscent of Impressionism. The attention paid to the play of light, the silhouettes, and the urban atmosphere lends the composition a subtle charm and great spontaneity. This type of genre scene remains popular for its lively and decorative character. Provenance: private collection, Brussels. Painting dimensions: 41.5 x 33.5 cm. Panel dimensions: 34 x 26 cm.
