

17th Pair Of Florentine Bronze Spool-shaped Candlesticks

350 EUR

Period : 17th century

Condition : Etat d'usage

Material : Bronze

Diameter : 11

Height : 36

Description

Pair of Baroque candlesticks in cast and turned bronze, Florence, 17th century. A typically Florentine design known as a "rocchetto" due to its distinctive shape, which resembles a spool of thread. Beautiful original patina; the only flaw worth noting is an old solder mark at the base of one candlestick, visible in the photo.

Dimensions Total height: 36 cm Base diameter: 11 cm
