Description

A vintage floor lamp from the 1970s, emblematic of the Space Age. With its fluid lines and graphic design, it will fit perfectly into a modern living room, a retro office, or a sophisticated contemporary setting. Structure & Base: Central pole and circular, ring-shaped base made of high-quality chrome-plated metal, offering excellent stability and a sleek silhouette. The Globes (Eyeball Spotlights): Features 3 spherical chrome-plated metal globes. The interior of the reflectors retains its original yellow and orange cast, typical of the era, which diffuses a warm, soft, and enveloping light once the bulbs are turned on. Modularity: The three globes are fully adjustable in direction and height along the pole thanks to their sliding mounts, allowing you to shape the light to suit your needs (direct, indirect,
