Description

Large twisted column made of reconstituted stone and natural stone, 20th century. Composed of an elegant twisted shaft topped by a richly carved capital, adorned with interlaced patterns and peacocks. Thanks to the quality of its carving, its generous proportions, and its patina, this column will naturally find its place in a classic interior, a winter garden, or as a pedestal to showcase a sculpture or a floral arrangement...Dimensions: 128 cm high - 21 cm wide - 21 cm deepFor any additional information or to arrange delivery, please do not hesitate to contact us.
