Description

A rare complete set of three original topographic maps published by the General Government of French Equatorial Africa, Mining Department, detailing the route of the Congo-Ocean Railway, a major project in French colonial history. This set brings together the three sheets covering the entire length of the railroad line connecting Brazzaville to Pointe-Noire: Sheet 1: Brazzaville - Kimbedi (produced in 1929) Sheet 2: Mindouli - Loudima (produced in 1932) Sheet 3: Loudima - Pointe-Noire (drawn in 1930) Scale: 1:250,000 These maps were produced under the direction of Mr. Jean Lombard, Head of the Mining Service, and constitute first-rate technical documentation on the infrastructure, topography, hydrography, transportation routes, and settlements of French Equatorial Africa in the
