Description

18th-century Louis XIV-style chest of drawers in walnut. Beautiful 18th-century Louis XIV-style chest of drawers in solid walnut. It opens with a three-panel molded door featuring elegant recesses, framed by sturdy stiles and topped by an overhanging molded cornice. The interior features several shelves offering ample storage space. The back is constructed of wide antique planks, and the entire piece is peg-joined using traditional techniques. The hardware is original, and the piece displays a beautiful, warm walnut patina. This chest of drawers stands out for its harmonious proportions, its understated elegance, and the quality of its cabinetry. It will fit just as well in a historic home as in a contemporary interior. Dimensions: Height: 217 cm Width: 88 cm Depth: 53 cm Period: 18th century. Style: Louis
