

Pair Of Doors - Brittany Regional Furniture

250 EUR

Period : 18th century

Condition : Prévoir restauration

Material : Solid wood

Width : 112

Height : 174

Description

Pair of 18th-century doors, Breton regional furniture. These doors are in their original condition; some work would be required to convert them into cupboard doors, entrance doors, or other features. They feature beautiful carving and high-quality hardware. Superb carved wedding scenes suggest they were originally doors for a wedding armoire. H x W = 174 x 112 cm
