replaced with another authentic Bernardaud "Rimbaud" lid. Although it features a slightly different floral decoration on the finial, it is an original factory component from the same pattern and integrates beautifully with the service while preserving its authenticity and functionality. Each piece bears the printed L. Bernardaud & Cie Limoges "Rimbaud" factory mark together with the B & C° Limoges France mark, confirming its manufacture in Limoges, France. The service remains in very good vintage condition with only light signs of age and careful use. Its elegant proportions, subtle textured decoration, and rich gilding make it equally suitable for refined entertaining or as a distinguished addition to a collection of fine French porcelain.
