Description

A charming and delicate watercolor on oval-shaped paper, depicting the bust of a mature man. The subject is wearing a soft, wide-brimmed felt hat and has a thick gray beard and mustache. He wears a light-colored jacket over what appears to be a dark blue sweater.The work is rendered with a fluid, Impressionist touch, characteristic of the watercolor technique. The artist has favored a palette of soft, nuanced tones (ochre, blue-gray), leaving the paper's grain visible to add texture to the hat and the background. The man's gaze is direct, lending a certain presence to the portrait.The watercolor is presented in a refined frame, with a thick cream-colored mat and a beveled silver inner border that accentuates the oval shape.
