Description

This sculpture, set on a marble pedestal, highlights the warmth of the bronze's patina and accentuates the animal's form and texture. The folds of the skin, the definition of the muscles, and the curves of the head and horn are rendered with striking realism, giving the piece a sense of life and movement despite its apparent stillness. Dimensions: H: 13 cm, W: 14 cm, D: 8 cm Weight: 2.8 kg Please contact us before ordering to confirm product availability.
