Description

A charming animal scene depicting a young black-and-white cat engrossed in playing with several dominoes scattered across a table. The composition is enriched by a few familiar objects--a pencil, a bronze cup holding a cigar, a decorative shell--which lend the scene an intimate atmosphere. The fur and the cat's body language are rendered very well. A painting of a cat that isn't saccharine--which is quite rare. signed N .Winston (Englishwork ?)
