19th Century: Pair Of Napoleon III Chairs In Black And Gold Lacquered Wood

900 EUR

Period : 19th century

Condition : Très bon état

Material : Painted wood

Width : 48

Height : 83

Depth : 55

Description

Circa 1860-1880: A pair of Napoleon III-era chairs in black-lacquered wood with gilded decoration and mother-of-pearl inlays. The backs are openwork and scroll-cut, the legs are curved, and the seats are upholstered with high-quality machine-woven tapestry featuring large floral bouquets in the late 19th-century style. In very good overall condition, with patina consistent with its age.One mother-of-pearl inlay is missing. Seat height: 41 centimeters.
