Description

Elegant console table in finely carved solid walnut, painted in lean tempera and gilded. The console table features a crescent-shaped top, painted in faux Bardiglio marble, and three feral legs that join at the center to form a round base. The console table is decorated with geometric carvings and gilded lion heads at the corners and center, enhancing its refinement, typical of the neoclassical style. This wall-mounted console table, equipped with mounting brackets, will enhance any space with a touch of class and antiquity. Tuscan manufacture from the neoclassical period, circa second half of the 18th century. Dimensions: H x W x D 90 x 96 x 45cm
