Description

Dark-wood trumeau with mirror and landscape painting - 19th century An elegant Louis XIV-style trumeau, crafted from dark, molded wood, featuring a painting of a lively landscape in the upper section and a large antique mirror in the lower section. The painting evokes an Italianate landscape with a river, a stone bridge, ruins, and figures, in the spirit of classic 18th-century decor. It is framed by an arched architectural molding that lends the piece a great deal of character. The lower section features an antique mirror with a beautiful patina, adding a pleasant sense of depth and contributing to the piece's authentic charm. With its understated lines and elegant contrast between the dark wood, the painting, and the mirror, this trumeau will naturally find its place in an entryway, a living room, a bedroom,
