Description

Adalbert-Louis BONN (19th-20th centuries):
"Woman with Hands on Hips," oil on canvas, 73 × 48 cm, mounted in a flocced frame measuring 88 × 65 cm--slightly too large. Dated 1935, re-lined, non-standard format. Very little is known about the artist: aside from a work that went in 2013, he is absent from the market; there is a Swede born in 1871 and who died in 1952 who might be a match, but there is no certainty ! That's a real shame because, with this "wiped" technique--somewhere between Toulouse-Lautrec and Egon Schiele--we'd love to see more of his work. Our Lady, fists on her hips--perhaps a singer--seems to be looking down at an intruder below. Feel free to ask us for photos or additional information by email or phone.
