

Set Of Two Cast-iron Children's Hands

280 EUR

Period : 19th century

Condition : Parfait état

Material : Cast iron

Length : 12 cm

Width : 9 cm

Description

Here are two adorable little children's hands, the original purpose of which remains to be determined: molds for dolls? Casts of a child's hand made by some bourgeois of the time? In any case, today these hands can be enjoyed as movable paperweights that can be assembled or taken apart as desired. Dating from around the late 19th century. Shipping available in France and internationally; contact me for details
