Description

Oil on canvas, signed in the lower right corner by the Milanese artist Roberto Fontana, known for beginning his career in historical Romanticism and later establishing himself in genre painting.

The portrait of a young woman features an elegant figure emerging from the dark background, highlighting an expressive and radiant face. Light spreads around her, accentuated by the rosy complexion that shines through the elegant lace of her black dress, lending further luminosity to the portrait. Fontana, influenced by the Scapigliatura movement and the soft luminism of Tranquillo Cremona, succeeds in capturing the delicacy of the details in a work that combines technique and sensitivity.
