

Bronze Fireplace Rail With Greyhounds

460 EUR

Period : 19th century

Condition : Bon état

Material : Bronze

Description

Beautiful mantelpiece, an antique 19th-century bronze mantelpiece featuring a design of dogs--greyhounds seated on a pedestal at each end, very high-quality bronze, beautiful chiseling, lovely details, plus an iron bar in the center. This mantelpiece is extendable from approximately 100 to 120 cm circa 1880
