Description

Émile Gallé - Multilayer Glass Vase with Wild Rose Decoration
An elegant baluster-shaped vase made of multilayer glass with an opalescent yellow base, etched and finished on the wheel. It is adorned with a naturalistic rosehip motif, featuring flowers, leaves, and rose hips, rendered in deep shades of purplish brown. The high-quality engraving creates a remarkable effect of relief and transparency. Gallé's Japanese-style signature is engraved in cameo.
Height: 24 cm Very good condition
