Description

A Napoleon III-era side table in gilded wood with a bamboo-style design and lacquered panels featuring floral and bird motifs. A retractable shelf at the front reveals storage space, and two doors on the upper section open to reveal a compartment upholstered in the original blue silk. The lacquer panels are in good condition, with some wear on the gilding, but this little table has undeniable charm. DIMENSIONS: 0.54 m x 0.33 m and 0.73 m high. Delivery available upon request.
