### Description

This bronze sculpture depicting a cat, \*El Gato\*, in the style of Fernando Botero, perfectly illustrates his iconic volumetric style. The rounded body, oversized paws, and serene expression transform a simple animal into a monument of presence, tranquility, and strength. Originally created in 1987, El Gato has become famous as a monumental sculpture in Barcelona, while smaller bronze editions retain the same expressive qualities on an intimate scale. The cat embodies harmony, balance, and universal appeal--hallmarks of Fernando Botero's work, in which everyday forms are elevated to enduring cultural icons. Height: 12 cm Width: 30 cm Depth: 10 cm Weight: 2.5 kg
