

Baccarat - Enameled Crystal Cookie Jar, Acid-etched

380 EUR

Period : 20th century

Condition : Bon état

Material : Crystal

Description

A magnificent BACCARAT cookie jar in acid-etched crystal, dating from the Art Nouveau period. The crystal features an elegant satin finish achieved through acid etching, enhanced by a polychrome floral design finely hand-enameled. It features its original brass mount with a lid and a movable handle. A refined and decorative piece, emblematic of the craftsmanship of the Baccarat factory in the late 19th century. Please note: very slight warping of the lid, visible in the photos. Dimensions: Height (without handle): 19 cm Diameter: 14 cm
