Description

A magnificent white linen bedspread, entirely crafted using the technique known as *sfilato siciliano*, one of the most refined expressions of Italian artisanal tradition. The richly detailed design features a succession of angels, floral motifs, scrolls, and symmetrical compositions, executed with extraordinary precision. This bedspread stands out for its absolutely perfect condition: never used, never washed, it retains all the freshness of the original linen and the sharpness of the embroidery, with no alteration to the thread or sagging in the openwork areas.
