Description

Galerie Georgette Classics is pleased to present this beautiful and unique display bookcase from England, designed in the late 19th century. This display bookcase is made of rosewood. Note the moldings that adorn this piece, as well as the octagonal motifs decorating the doors on the lower section of the cabinet. The upper section features two cut-away gables and includes two beveled glass doors, with a glass panel on each side of the piece as well. The upper section is equipped with two shelves. Come see it in our store in Toucy, 89130.
