Description

Four lovely chromolithographs mounted under glass in a venerable pitchpine frame, handcrafted in the 1850s... I'll let you take a look at them; they're lovely, just slightly yellowed. Dimensions of each: 17 cm x 12.5 cm. Frame: 47 cm x 40 cm. All of these prints depict locomotives or trains on new and beautifully designed structures: the bridge over Doller, the viaduct between the Ill and Dornach, the bridge over the Ill, and temporary station in Mulhouse. Designed by Huber; chromolithographs by Engelmann père et fils in Mulhouse. In fine condition, flawless. Instant purchase: payment accepted via credit card or PayPal. -- eclectic -- We are not experts, but we have been in this business for over 50 years. Full refund provided without issue if you are not satisfied. Invoice and certificate
