

Venetian Mirror - Circa 1930

3 600 EUR

Period : 20th century

Condition : Très bon état

Material : Glass

Width : 134

Height : 127

Description

Exceptional Venetian mirror dating from approximately 1930, lavishly decorated with hand-cut and acid-etched mirrored glass elements. The oval central mirror is surrounded by an elaborate floral composition of acanthus leaves and blossoms, assembled from individually bevelled mirror glass pieces secured with the characteristic Murano glass rosette fasteners.

The mirror retains its original silvering, displaying a beautiful natural patina and areas of age-related oxidation ("foxing"), enhancing its authenticity and character.
