

Diana The Huntress - Bronze Bas-relief Panel

400 EUR

Signature : Signé et daté Fuch 1956

Period : 20th century

Condition : Très bon état

Material : Bronze

Length : 13

Width : 10

Description

A refined and elegant rectangular bronze plaque with a golden patina and brown hues, depicting the mythological goddess Diana (Artemis) while hunting. The goddess is depicted nude, in a dynamic pose taking long strides, while holding an arrow. A hunting hound leaps at her side. The work stands out for its stylized and elegant lines, clearly influenced by the Art Deco style.
