### Description

A magnificent and extremely rare automatic alidade compass by General Peigné, a standard-issue model made of marbled Bakelite, published by the famous Librairie Delagrave (15 Rue Soufflot in Paris). This is an exceptional collector's item for enthusiasts of antique scientific instruments, military surveying, cartography, or militaria. The set is particularly sought after because it is complete: it includes the instrument, its original cardboard box, and its extremely rare period instruction manual ("Instructions--Field Manual--Model
