Description

A magnificent and significant rectangular glass-fronted display case, showcasing a remarkable collection of French military medals, decorations, insignia, and memorabilia. This collection primarily honors veterans of World War I (1914-1918) as well as those who served in overseas campaigns (notably the Colonial Medal with the Tunisia clasp). The collection is showcased against a deep red velvet background, elegantly edged with a period military braided cord. An authentic piece of military history. It is rare to find such a set of medals already assembled and carefully mounted in a protective, cohesive display case. It is a true testament to the memory of French soldiers of the 20th century. Dimensions: - 58x48 (with frame)- 48x39 (without frame)
