Description

Refined pair of wall sconces in lost-wax cast and gilded bronze. The sconces consist of three lights, with a central body fixed to the wall and topped with a decorative leaf. The arms from which the lights emanate are arched, with wax collectors and candle holders finely decorated with geometric motifs. This pair of sconces exudes great taste and refinement, adding a touch of class and antiquity to any space. French manufacture from the Louis-Philippe period, around the first half of the 19th century (ca. 1870). Dimensions: H x W x D 33 x 32 x 24cm
