Description

A wide, period Louis XVI frame made of gilded wood with beautiful, deep carving. The gilding has a lovely antique patina. The frame was re-shod a few years ago; it was likely cut to size for a specific purpose, and the framer replaced the wooden base. This is why the back is very recent. It is sold with a very pretty sea-green mat and a custom-cut glass panel (recent). Dimensions of the frame opening: 42.5 cm x 52.5 cm
