Description

A pair of three-light wall sconces made of clear Murano glass, crafted in the 1980s. The pieces feature an elegant, sinuous design with curved, "cascading" arms that lend the ensemble a sense of lightness and harmony. The light fixture is embellished with handcrafted details, including central knots and decorative discs that reflect the masterful craftsmanship typical of Murano glass production. The perfectly transparent glass enhances the play of light, creating delicate and refined reflections. With their balanced and timeless design, these wall sconces blend effortlessly into both classic and contemporary settings, making them ideal for elegant spaces such as living rooms, entryways, or bedrooms.
