

19th Century. Oval Medallion Pendant That Opens, Made Of Gold And Silver.

1 800 EUR

Period : 19th century

Condition : Très bon état

Material : Gold

Description

Napoleon III: Oval hinged medallion pendant in 750/1000 gold and 800/1000 silver. One side features a very refined openwork motif in the arabesque/Neo-Renaissance style, finely cut into the metal. The other side is adorned with an interlaced monogram (stylized initials), likely that of the original owner. The medallion opens to reveal two oval compartments. Dimensions: 3.5 x 3 cm Gross weight: 31.4 g.
