Description

Galerie Georgette Classics is pleased to present a beautiful Napoleon III display cabinet. This display cabinet is made of blackened wood and burgauté boiled cardboard. Featuring three shelves, this piece is typical of the Napoleon III period, with its floral motifs and the mother-of-pearl that is a prominent feature of its decoration. This display cabinet, rarely found on the market, is in very good condition and has a half-moon shape. Come see it at our store in Toucy, 89130.
