

18th-century Savona Earthenware Plate

680 EUR

Signature : Savone

Period : 18th century

Condition : Restauré

Material : Earthenware

Diameter : 33.5

Height : 4.5

Description

A very rare large dish depicting an allegory, in shades of blue, from Savona (Italy), dating from the early 18th century. Signed on the back. We note a crack that has been repaired with a staple, as well as restorations along the rim. Shipping is available upon request; please provide your city and country for a quote.
