For pierced ears. Vintage earrings featuring domed oval motifs, lightly chiseled and adorned with a small gold bead on each one. A bow formed of chiseled ribbons, applied as embellishment. The earrings are worn by threading them through a swan-neck clasp. Period: 20th century Main material: yellow gold, 750 parts per thousand, 18 karats, eagle-head hallmark. Dimensions: Height: approx. 4 cm, width: approx. 14.3 mm, thickness: approx. 6.5 mm. Net weight: approx. 3.5 g. Authentic antique jewelry--French craftsmanship from the early 20th century. Slight signs of age on one of the pendants. Our opinion: Characteristic of the Belle Époque, these dangling earrings are lightweight and very feminine, designed to be paired with the matching pendant brooch. Learn more Check out
