Description

An elegant pair of vintage earrings crafted in 18-karat yellow gold and embellished with a refined combination of rubies and old-cut diamonds. Each earring features a round-cut ruby weighing approximately 1.60 carats, characterized by a vibrant red hue. The intense color of the gemstones is enhanced by the warm tone of the 18-karat yellow gold setting. Flanking each ruby is an antique-cut diamond weighing approximately 0.15 carats. The delicate sparkle of the diamonds creates an elegant contrast with the deep color of the main stones, lending balance and brilliance to the entire design. The gemstones are highlighted by traditional prong settings, which emphasize their shapes and allow more light to pass through the stones. Lightweight and comfortable to wear, these earrings are ideal for
