Description

This antique Baccarat crystal mustard dish is a charming little table accessory. It rests on a pedestal featuring alternating godron and fluted motifs, with polished and satin-finished surfaces that create a beautiful play of light; the body of the piece, its lid, and its fretel are similarly decorated. Its scalloped upper rim features a conical rim topped with a button-shaped knob; a notch allows for the insertion of a small spoon. If you have any questions, please feel free to contact us. _____
