### Description

A beautiful tuxedo shirt with a flat front and fixed cuffs, crafted from high-quality fine cotton fabric (or percale). A tab with a buttonhole at the bottom of the front panel helps keep the front panel in place. Wide pleats on the front and gathers at the top of the back ensure ease of movement and comfort. Please note a small stain on the inside of one cuff (see photo). This imperfection faded significantly after the first wash. A beautiful, well-preserved vintage piece in very good condition with no signs of wear, washed and ironed. ? Buy this item on our website? Additional informations and photos? Online payments ?
