

Vintage Industrial Table Fir Elm Design Italy XX Century

3 600 EUR

Period : 20th century

Condition : Bon état

Material : Pine

Width : 180

Height : 87

Depth : 123

Description

Workbench with four workstations. Four legs and a central drawer unit with four feet support the worktop, beneath which are the work drawers for each workstation, with three drawers each.

Lacquered in a worn gray finish that is almost completely worn off on the worktop. Metal handles. The piece has been repaired, cleaned, and sanitized by our restoration workshops, preserving the original signs of wear on the lacquered surface. MOTATA0305254
