Description

Louis Süe and André Mare were a highly influential duo of painters, architects, and designers in the Art Deco style, as both played a major role in shaping this style across various fields. One of Süe and Mare's most iconic designs is the stylized rose featured here in this bronze frame with deep relief; the corners feature embellishments that highlight this design, which is in a cabinet format--a frame that is uncommon, if not rare. Circa 1910-1920. Dimensions in the photo: 13.5 x 18.5 cm Shipping available in France and internationally; contact me for details
