

Louis XIII Sideboard In Walnut With Grotesque Carvings, Folk Art, 17th Century

3 200 EUR

Signature : école Française

Period : 17th century

Condition : Bon état

Material : Wallnut

Width : 145

Height : 243

Depth : 63

Description

Rare 17th-century sideboard made of walnut from the Southwest, featuring twisted half-columns, a lower section with two hinged doors, two drawers, and a secret drawer, with a carved head decoration in a grotesque style, the upper section featuring two-panel doors, topped by a rare cornice adorned with a full-length, caped figure, the upper section decorated with elegantly scattered carved and openwork spindles. A few minor imperfections and previous restorations of no significance. The piece is in good condition; see photos. Overall dimensions: 243 cm x 145 cm x 63 cm
