Material : Water color

Width : 24

Height : 32

Description

Léon-Aimé MAZURIER, painter from Lorraine (1872-1950) Remiremont "Last Snow, The Doller River near Lerchtenmatte" A watercolorist, he was born in Remiremont in 1877 and died in Dommartin-les-Remiremont in 1950. A self-taught artist, he followed in his father's footsteps as a lawyer and, in his spare time, painted numerous watercolors. He exhibited at the Salon de Nancy beginning in 1905 with watercolor landscapes: Ruisseau du Fouchot, Etang de Xenois...The Doller [d?le?] is a French river in the Haut-Rhin department, within the European Community of Alsace. Its valley opens to the east at the foot of the Ballon d'Alsace. It runs parallel to the Thur, which flows slightly further north. It is a tributary of the Ill, and thus a sub-tributary of the Rhine.
