Description

This contemporary necklace captivates with the purity of its lines and the quality of its design, combining a resolutely modern aesthetic with exceptionally meticulous jewelry craftsmanship. Crafted in 750/° yellow gold (18 KT, owl hallmark), it features a semi-rigid structure consisting of a series of rectangular elements linked together in a slight gradient. This design gives the necklace a very clean, linear silhouette while maintaining remarkable flexibility, allowing it to naturally follow the curves of the neck and drape with perfect fluidity when worn. The front is punctuated by a series of shuttle-shaped motifs, each delicately set with two brilliant-cut diamonds. The design forms a gentle curve whose subtle gradient harmoniously follows the neckline, creating a continuous and

particularly refined play of light. The quality of the setting fully highlights the brilliance of the diamonds, whose sparkle contrasts with the warm softness of the mirror-polished yellow gold. The reverse side also reflects high-quality craftsmanship, with each element carefully openworked and hinged to ensure comfort, flexibility, and durability. This balanced design allows the necklace to maintain a perfectly even line while offering a particularly comfortable fit. The ratchet clasp, featuring a white gold tongue, is complemented by a safety latch, ensuring a closure that is discreet, reliable, and secure. With its timeless design, exquisite craftsmanship, and natural elegance, this necklace is a refined and understated piece of jewelry that is easy to wear for any occasion. Estimated total diamond weight: approximately 2.00 carats Gross weight: 28.76 g Condition: very good condition, imperceptible micro-scratches on the metal, natural inclusions in the diamonds not visible to the naked eye Payment can be made entirely online via the website.
