Description

A beautiful, large bowl measuring 24 cm in diameter, resting on three legs, signed on back by the Berndorf firm, sculptors and bronze casters in Vienna during "Belle Époque." A charming portrait, surrounded by a bouquet of stylized flowers, a bird, and a butterfly--a distant Japanese beauty, like a framed photograph--asymmetrically adorns the bronze bowl on its silky finish. It is superb, a good size, in its original, untouched condition, and comes from a home in our Nîmes region. 24.5 cm x 2 cm, weight: 900 g. on
