Description

An antique pendant consisting of an openwork link that holds, as a pendant, a triangular motif delicately engraved with arabesque patterns. Three pendants featuring the same type of links hang from it, supporting two small gold medallions engraved with initials and a watch key, all intricately engraved. A wide oval ring forms the bail. Pendant sold alone without its display chain. Period: 19th century Main material: yellow gold, 750 parts per thousand, 18 karats, eagle-head hallmark. Dimensions: Height: approx. 9.3 cm, width: approx. 1.5 cm, thickness: approx. 6.5 mm. Net weight: approx. 6.4 g. Antique jewelry--French craftsmanship from the second half of the 19th century. Our opinion: An antique pendant crafted from refined gold with a slender design, to be worn with a ribbon, a silk cord, or a
